The purple moon is rising
I can see it
The Coyotes are cryin'
Can't you hear it?
The anger is a risin'
Why conceal it?
There's a change a happenin'

Hello pretty woman
With the long dark dirty hair
The sandals on your feet
Tell me your not from around here

I'd like to tell you stories
Of young folks waking up
And new ways of living
And of love

The purple moon is rising
I can see it

There's a change a happenin'
Oh I can feel it

Underneath my pillow
Is a tooth no fairy took
Now the world is ours
We don't need no dusty book
So come on angel, sweet heart,
With the torn and tattered jeans
Take my hand and listen to my song

'Cos sometimes it seems i'm dreamin'
in a fog enfolded haze
But there's a new day a dawnin'
Well there's a change a happenin'
I said a change is happenin'
I can feel it
