Yeah i have a way of doing things
And it's not like anybody else you'll find
Yeah
But with her is just so obvious
She always plays the game with her in mind
Yeah but that's not me
I'm so low maintenance
She 'll just drink you up 'till you dry
Ohh
How can you be so blind inside
Refrein:
You think I'm a little left of center Whatever!
I'm not the type to go with
Whatever skin on
And if you think that she can do better
Than let her!
She's just so ordinary
And I thought that now you've figured out
That a girl like me is so much more your style
Yeah
She always stays between the lines
She ain't the kind of book that you read twice
Yeah
You can say it nice
If you give me a chance
Mabye I can change your life
Ohh
How can you be so blind inside
Refrein:
You think I'm a little left of center Whatever!
I'm not the type to go with
Whatever skin on
And if you think that she can do better
Than let her!
She's just so ordinary
You always wanted something special
Said never set up for last
But baby think of what you miss
If you walk away with this!
Refrein:
You think I'm a little left of center Whatever!
I'm not the type to go with

Whatever skin on
And if you think that she can do better
Than let her!
She's just so ordinary x2
She's so ordinary!!
