Stronger

I'll make it through the rainy days  
I'll be the one who stands here longer than the rest  
When my landscape changes, rearranges  
I'll be stronger than I've ever been  
No more stillness, more sunlight  
Everythings gonna be alright

Refrein

I know that theres gonna be a change  
Better find your way out of your fear  
If you wanna come with me  
Than thats the way its gotta be  
Im al alone and finally  
Im getting stronger  
You'll come to see  
Just what it can be  
Im getting stronger

Sometimes I feel so down and out  
Like emotion thats been captured in a maze  
I had my ups and downs  
Trials and tribulations,  
I overcome it day by day,  
Feeling good and almost powerful  
A new me, thats what Im looking for

Refrein

I know that theres gonna be a change  
Better find your way out of your fear  
If you wanna come with me  
Than thats the way its gotta be  
Im al alone and finally  
Im getting stronger  
You'll come to see  
Just what it can be  
Im getting stronger

I didnt know what I had to do  
I just knew I was alone  
People around me

But they didnt care  
So I searched into my soul  
Im not the type of girl  
That will let them see her cry  
Its not my style  
I get by  
See Im gonna do this for me

Refrein  
I'm al alone and finally  
I'm getting stronger  
You'll come to see  
Just what it can bee  
I'm getting stronger  
I'm al alone and finally  
I'm getting stronger  
You'll come to see  
Just what it can bee  
I'm getting stronger
