You hit the wrong note, billy goat

[CHORUS]

You hit the wrong note, billy goat
Why must you be a doggone silly goat
Why don't you say that I'm your honey boat
I wanna talk about love

You hit the wrong note, billy goat
You treat me like a backwoods porcupine
You never seem to know what's on my mind
I wanna talk about love

Last night, the night before
You wouldn't let me kiss you
At your front door
Well, every time I get the chance
You never seem to wanna
Talk about romance

[Repeat CHORUS]

Go

[Repeat CHORUS]

We go here, we go there
We could go together most everywhere
Well, every time I hold your hand
It never ever works out
The way that I planned

You hit the wrong note, billy goat
You treat me like a backwoods porcupine
You never seem to know what's on my mind
I wanna talk about love, go

I know that I love you
You never say that you love me too
Well, every time I get the chance
You never seem to want to

Talk about romance

[Repeat CHORUS]

I wanna talk about love

I wanna talk about love

I wanna talk about love

I wanna talk about love
