Boogie, boogie woogie
The boogie-woogie-woogie beat
Down in Africa, many years ago
There lived a little fella named Zulu Joe
He took his tom-tom, a great big stick
And that was the birth of the boogie lick

Birth of the boogie, birth of the boogie
Birth of the boogie, birth of the boogie
Birth of the boogie, the boogie-woogie-woogie beat

[Instrumental Interlude]

Then Joe got hip and he started to sing
The animals flipped and began to swing
Monkey, Elephant, Kangaroo
They all picked up on the boogie too

Birth of the boogie, birth of the boogie
Birth of the boogie, birth of the boogie
Birth of the boogie, the boogie-woogie-woogie beat

[Instrumental Interlude]

Well, the animals a-boogied all over the place
The rabbit spit in the bulldog's face
Joe kept a-beatin' 'til the early morn
And that's when the boogie-woogie was born

Birth of the boogie, birth of the boogie
Birth of the boogie, birth of the boogie
Birth of the boogie, the boogie-woogie-woogie beat
