I got a gal  
And she's long and thin  
Real nice condition  
For the shape she's in

Every time I see her  
Boy, I do a spin  
Lean Jean, seventeen

She fell in a  
Beauty shop to get away  
The owner said I dig your wig  
But you need a shave

And yet there's something 'bout her  
Makes me be her slave  
Lean Jean, seventeen

I got a gal  
And she's long and thin  
Real nice condition  
For the shape she's in

Every time I see her  
Boy, I do a spin  
Lean Jean, seventeen

Jeannie baby's knock kneed  
In her bobby socks  
I'm so barrel legged  
When the rhythm rocks

When we stroll together  
We spell ox  
Lean Jean, seventeen
