At the end of the day
And into the night
That's when I get my peace and quiet
I'm on a fast ride and I want to get off

Whatever I do, whatever I say
Is anyone listening anyway?
I'm falling deeper and deeper
And deeper down below

Ahh, ooh
Here I go again
Ahh, ooh
Help me understand

At the end of the day
And into the night
That's when the darkness gives me light
I can see clearly what is right in front of me

I'm falling and I'm calling out
No one can hear me shout
Or maybe I'm crazy and
I'm screaming in the wrong direction

Whatever I do, whatever I say
Is anyone listening anyway
I'm falling deeper and deeper
And deeper down below

Ahh, ooh
Here I go again
Ahh, ooh
Help me understand

Ahh, ooh
Here I go again
Ahh, ooh
Help me understand

I'm drowning
Can't you see?

I'm on a train that's jumped its tracks
I'm not sure how I'm gonna get back
Somebody please help me off my knees
I'm asking, anybody please

Ahh, ooh
Here I go again
Ahh, ooh
Help me understand

Ahh, ooh
Here I go again
Ahh, ooh
Help me understand, yeah
