"Honestly"

Beautiful moonlight
Shadowing sunlight
Can't shake the belief
That there's something bright
So deep inside of me
Can you make me a believer?
Make the madness saner?
Can you take this pain
Wash away this stain
As it's pouring down on me?

And if I slip into tomorrow
Will you bring me back?
And if I call on you
Will you answer me

Honestly?
Honestly
I'm holding on but not for long
And I need you more than ever
Honestly
Honestly
The darkness calls but when you're with me
I could live forever

Drowning in this desert
Alone and I'm surrounded
By the spirits who sink
Their teeth in me
And swallow my heart and my soul
Are you disappointed
When I walk right through you?
Or is it true?
All the things I knew
Deep inside of you

And if I slip into tomorrow
Will you bring me back?
And if I call on you
Will you answer me

Honestly?
Honestly
I'm holding on but not for long
And I need you more than ever
Honestly
Honestly
The darkness calls but when you're with me
I could live forever

A brand new way
And the angels came
It's not too late
It's never too late

Honestly
Honestly
I'm holding on but not for long
And I need you, need you, yeah
Honestly
Honestly
The darkness calls but when you're with me
I could live forever

Honestly
Honestly
I'm holding on but not for long
And I need you more than ever
Honestly
Honestly
The darkness calls but when you're with me
I could live again

Honestly
Honestly
Honestly
Honestly
