i cannot help it that im so good lookin  
i cannot help it that i have the perfect body  
yes everywhere i go i get all the attention  
i get my looks despite divine intervention  
we are the pretty people

you wanna look like us

we are the pretty people  
give it up give it up give it up  
we are the pretty people  
best of human kind  
we are the pretty people  
flawless by design

green light green light please dont go to yellow  
i look so good when i'm drivin in my car  
i'm in the fast lane and i'm gonna be a star  
cause if you do you know i'll be an angry fellow

you know i never have to pay for my dinners, no  
oh yeah you know i'm always a winner

you want me but you cannot have it!  
we are the pretty people  
you wanna look like us  
give it up give it up give it up  
we are the pretty people

we are the pretty people  
we are the pretty people

best of human kind  
flawless by design

if you make a pass, a little razzmatazz  
well well well well  
a wink of the eye as i walk on by  
if you make a pass, a little razzmatazz  
a little razzmatazz but no kiss goodnight  
if you make a pass, a little pinch on the ass

a wink of the eye as i walk on by  
if you make a pass, a little pinch on the ass, yeah  
a little razzmatazz but no kiss goodnight  
we are the pretty people

we are the pretty people  
you wanna look like us  
you wanna look like us...

we are the pretty people  
you wanna look like us  
we are the pretty people  
give it up give it up give it up

best of human kind  
we are the pretty people  
flawless by design we are the pretty people
