Late night, neon hotels  
That's where the wild things are  
Next door, you think that you're safe  
That's where the wild things are

Lock yourself inside  
Maybe you'll find peace tonight  
Don't run away  
From what you don't know... no, no

The things you don't show, the secrets that you grow  
Keep 'em in, in a good hiding place  
While you're sleepin', I know you're dreamin'  
Of a good, yeah a good hiding place

Closed doors, is somebody home  
That's where the wild things are  
Backstreets, abandon this life  
That's where the wild things are  
Lock yourself up tight  
Maybe you'll find peace tonight  
Don't run away  
>From what you don't know... no, no

The things you don't show, the secrets that you grow  
Keep 'em in, in a good hiding place  
While you're sleepin', I know you're dreamin'  
Of a good, yeah a good hiding place

Oh, it's so mysterious when it's on TV  
Oh, it's unpredictable and then it happens to me

The things you don't show, the secrets that you grow  
Keep 'em in, in a good hiding place  
While you're sleepin', I know you're dreamin'  
Of a good, yeah a good hiding place
