Introducing the Celtic Soul Brothers and featuring the  
Strong Devoted  
Ladies and gentlemen, would you now please take your  
leave  
Because we've sat back looking and nearly been took  
Even been scared but now I don't care and I'm telling  
anyone who'll listen  
I've seen what's on show and now there's no more to  
know  
'Cause I've been there, I've been seen there, I've  
seemed it, dreamed it  
Schemed it beened it

We're coming through  
How do you do?

Excuse me please, you're standing in my space  
So step aside, now your time's up  
Come on my friends, I would now like to propose a  
toast  
To the strength I see that's surrounding me  
'Cause I've been scared but now I don't care and  
I'm telling anyone who'll listen  
I've seen what's on show and now there's no more to  
know  
'Cause I've been there, I've been seen there, I've  
seemed it, dreamed it  
Schemed it, beened it

You see I know this to be true  
Now would I lie to you?  
And I'm not waiting for approval from you  
We're coming through  
More please and thank you  
Coming through  
More please and thank you  
How do you do?  
More please and thank you

More please and thank you  
What do you trust?  
More please and thank you  
Yes, yes  
More please and thank you  
More please and thank you  
What, what, what, what, what, what, what, what?  
More please and thank you  
Hey, hey, hey  
More please and thank you  
Yes, yes, yes  
More please and thank you
