What's that? What's that on the start?
Let's get this straight from the start, Who's that? Who's that?
What's his part? Tell him come back tomorrow and start,
You keep saying (so what did I say?) You keep saying (tell me what did I say?)
Pardon me, ooh, pardon me, ooh, pardon me, please, pardon me, suggest you come round here singin' let's get this straight from the start,
This is something I don't even understand, oh, these people round here have their own way of thinking,
some of them get angry with the things I've heard, watch what you're saying, that's not what I'm thinking,
You keep saying (so what did I say?) You keep saying (tell me what did I say?)
Pardon me, ooh, pardon me, ooh, pardon me, please, pardon me, suggest you come round here singin' let's get this straight from the start,
No joking me, you better look at what you think about, No joking me, you better look at what you think, I'll just live where I'll live, have ideas, and they're all so old,
What's that, what's that repeating part, Who's that? Who's that? What's his part? Tell him come back tomorrow and start,
You keep saying (so what did I say?) You keep saying (Go on, tell me what I said, I know what I said I said)
Pardon me, ooh, pardon me, ooh, pardon me, please, pardon me, suggest you come round here singin' let's get this straight from the start,
