It's just your manhood Kev oh it's your manhood,  
Your a man is that understood?  
There's no more frightened man that walks,  
My fear comes each time somebody talks,  
(But don't you have enough to eat?)  
Oh yeah, but deep down I feel so poor,  
I feel rejection everywhere, even when it is not there,  
I admit my god I was scared (but not anymore).  
And I got scared to say "hello"  
I was always thinking that they would want to go,  
And though I hated myself I also felt that I  
Had to shine somehow.  
(Are you always feeling guilty?)  
Yes  
(Do you envy those who care free?)  
I was so scared that I planned my every move.  
It's just your manhood, oh it's your manhood  
Your a man, is that understood?  
But will I always be the stranger at the door?  
It's just your manhood Kev it's your manhood,  
Your a man, is that understood?  
Listen,  
I tried to love recently,  
I found I'm sick emotionally,  
Michaela from my heart I did not know what to do,  
I don't think that I can stand this loneliness no more,  
Somewhere inside, there might be happiness,  
I just could not seem to get it out,  
(What is it that you want to say?)  
I tried so hard to be a man, I've often worried if I can,  
My life has felt just like one long fight,  
Let me tell you how for years,  
I was waking up in fear,  
Seemed like everything I did was judged all wrong (in  
my mind)  
Until I could break free, I'd always be lonely,  
What use is a broken man?  
If it's my manhood alright,  
Why is it that I can't stand my loneliness no more,  
That's the way my life will be,  
I'm not supposed to be lonely,

I've got one choice  
(What's that?)  
Spirituality  
BIG G!
