Marvin,
He was a friend of mine,
and he could sing a song,
his heart in every line.
Marvin,
Sang of the joy and pain,
he opened up our minds,
and I can still hear him say,
Talk to me so you can see whats going on,
say you wil sing your songs for evermore,
gonna be some sweet sounds coming down,
on the nightshift,
I'll bet you sing it proud,
I bet you would have cried,
gonna be a long night, gonna be alright
on the nightshift
Youve found another home,
I know you'll not alone on the nightshift.
Jackie,
hey what you doing now?
It seems like yesterday,
that we were working out,
Jackie,
You set the world on fire,
you came and gifted us,
your love it lifted us higher and higher,
keep it up and we'll be there at your side,
say you will sing your songs for evermore,
gonna be some sweet sounds coming down on the
nightshift,
I'll bet you'll sing it proud,
I'll bet you'll pull a crowd,
Gonna be a long night gonna be alright,
on the nightshift,
you found another home,
I know your not alone on the nightshift.
