Dexys Midnight Runners "Soon"

I wont need to think of nice things to say,
I dont want to want that way anymore,
Shh now and I can hear some silence,
In that is strength I promise,
This is it no need to fear,
No need for fame, nothing physical, no violence,
Just your good thoughts and love and silence,
The only thing I found worth having, no need to fear.
You take ridiculous moods far away,
You gave me something new that i could say,
I've come to you like this,
I'll keep coming back I promise.
