[DF Dub]

Oh yea  
IÂ'll tell ya a story  
About a country girl  
Oh yea

[Verse 1]

She was a country girl from Cleburne, Texas  
In a big city and she liked my necklace (Bling Bling)  
So we started talking, while we took a ride  
In thee big pick-up truck and my hat was to the side (Oh  
yea)  
She was a country girl, from the class of Â'96 (Â'96)  
A big booty with some big ole country (damn)  
A country name with some country attitude  
Say yes Mam, but at times sheÂ's kinda rude  
A daddyÂ's girl, so I had to watch my ass  
Sixteen, Mr. Hill would whoop my ass  
He canÂ't kick it, IÂ'm a city kid  
Imagine what would happen if he knew what we did (we  
did)  
Oh yea

[Chorus: DF Dub]

I fell in love with a country girl  
A city kid in a different world  
[Repeat 4x]

[Verse 2]

She liked country living and acoustic guitars  
And Kenny Chesney in country bars  
And Cadillacs and I couldnÂ't relate  
IÂ'm just a concrete kid on a country date  
And her dad hated me, I knew it  
DidnÂ't like my tattoos, pierced ears and black music  
We still chill cow tipping and tripping  
With that brushed papa shirt lift back cuz she was  
tipping (Oh yea)  
She was a country girl home cookinÂ' and grubbinÂ'  
(Hmm)  
AinÂ't used to my style big limos and clubbinÂ' (We be  
clubbinÂ')

A city kid and Iâ€™m doing my thang  
I like an ole country girl and this is how I sang  
Yee-hoo, What, What

[Chorus: DF Dub]  
I fell in love with a country girl  
A city kid in a different world  
[Repeat 4x]

Oh yea

[Verse 3]  
A country girl cut off jeans and lollipops  
Tequila shots, tube tops and liquor stops  
A country girl with them country ways  
Livinâ€™ big city nights but them country days (Ugh)  
A country girl donâ€™t understand thugginâ€™ (What)  
A country girl tractors and beer chugginâ€™  
A country girl pigtails and care free  
No direct dish, just Channel 3 (Oh, wait a minute)

This the only channel you have?  
What?  
Oh yea!

[Chorus: DF Dub]  
I fell in love with a country girl  
A city kid in a different world  
[Repeat 4x]

Oh yea  
Country Girls  
Taste like chicken
