If dreaming about it  
Is the only way  
To take care of me  
Tonight

It's all I can do  
I will be there all night long  
Just wait for me now  
If you're sleeping I will be there

'Cause all I want is you  
I can feel it every second  
If dreaming about it  
Means starting to lose  
The game is over!

Just being myself  
Will I find that elusive remembrance?

Please show me the way  
To your dreams  
I won't miss

It's all I can do  
I will be there all night long  
Just wait for me now  
If you're sleeping  
I will be there-

'Cause all I want is you  
I can feel it every second  
If dreaming about it  
Means starting to lose  
The game is over!

The game is over  
It's just a game

'Cause all I want is you  
I can feel it every second  
If dreaming about it

Means starting to lose  
The game is  
Over!
