Severed limbs of
virgin angels rain upon the
earth

as Heaven set ablaze, in
depth and worship, of Him,

Jesus
groveled, inverted, on the holy
wastelands, as we raped the human
race, the helpless Shepard
pleaded,

and bled, before the
sons of Satan, the universe is
beneath

our command, the mighty
sigil burns with scourge and
dominance,

eternal night and
crushing fog crumbles the world,
Armageddon wreaks of fresh
flesh, God's eyes fade as he takes
his last breathe, we are the
key,

to life's funeral, now it is
time to reign upon the forsaken

realm,

temples fall under
bonfires of victory, sacred words
of the unlight

left eternal scars
on the sons of He, Father's
demon's roam in feed of the
lifeless,

ravishing the once lush
lands of the sheep,
we procreate
our demons, to fall beyond His
devotion

a new emblem is sealed,
an infernal creed shall be
done,
with sin and hatred, a new
world of the under salvation shall
arise,

within the flesh of Hell
youthful veins shall collapse to
devour existence.
