I am based on a true story  
Naked number one, that's what people call me.  
Tell them I'm in town, riding on a donkey.  
Sing a song and your heart will never fall.  
Make love, be a conscious animal.

I am not a fool.  
I am a magician.  
Eating up a flash.  
Understand my mission.  
Sing a song and your heart will never fall.  
Make love, be a conscious animal.  
Sing a song and your heart will never fall.  
Make love, be a conscious animal.  
Yeah, c'mon!

I hear your heartbeats in the ocean of love.  
We are together, yeah, the fairytale is flying.  
Come share the visions on the mountain of peace.  
Just wish and all your dreams will come to life!

The lamb will return as a lion today.  
The lamb will return as a lion today.  
Ah, hey, hey! Hey, hey!

I am just a symbol, I am Naked Number One  
I am just a symbol, I am Naked Number One  
I am just a symbol, I am Naked Number One

Yeah, c'mon!  
I hear you heartbeats in the ocean of love.  
We are together, yeah, the fairytale is flying.  
Come share the visions on the mountain of peace.

Just wish and all your dreams will come to life!  
Yeah!

La-la-la-la! La-la-la-la-la-la!  
La-la-la-la! La-la-la-la-la-la!  
Just wish!
