Iâ'm based on a true story

Naked number one, that's what people call me
Tell them Iâ'm in town, riding on a donkey
Sing a song and your heart will never fall
Make love, be a conscious animal

Iâ'm not a fool, Iâ'm a magician
Beating up the flash, understand my mission, aha a-ha
Sing a song and your heart will never fall
Make love, be a conscious animal
Sing a song and your heart will never fall
Make love, be a conscious animal

Yeah come on

I hear your heartbeat in the ocean of love
We are together, yet a fairytale is flying
Come, share apparitions on the mountain of peace
Just wish, and all your dreams will come to life

The land will return us, so lie on today
The land will return us, so lie on today

Hey hey hey

Hey hey

I will never suffer again
I love you so much

Iâ'm just a symbol, Iâ'm naked number one
Iâ'm just a symbol, Iâ'm naked number one
Iâ'm just a symbol, Iâ'm naked number one

Yeah
Come on, come on

I hear your heartbeat in the ocean of love
We are together, yet a fairytale is flying
Come, share apparitions on the mountain of peace

Just wish, and all your dreams will come to life
Just wish, and all your dreams will come to life
Just wish, and all your dreams will come to liiii-i-ife

Yeah!

La la la la, la la la la la la, la la la la la la, la la la la la la
la la la la laaaaa
La la la la, la la la la la la, la la la la la la, la la la la la la
la la la la la a-ha

Just wish
