Hey hey hey hey hey  
Go!

Put it to the test  
What if life became a game  
And is your crash dropt down the drain  
Could you manage on your own  
Rather be someone you did not know  
I didn't know I had it all  
Was at the notion it was to fall  
Get it girl that's got a pill  
I really need a thrill

I put it to the test  
I mean a second gift  
I'll get it on my chest  
I wanne thrill a lest  
I wanne feel no fear, no fear

Let it go let it flow  
Through my mind  
through my soul  
It's all adrenaline, yeah yeah yeah yeah  
Let it go let it blow  
For my vaings up to my brains  
I need adrenaline  
To take control

When I see through  
I realise there's someone new  
Digs you takes control  
Plissie fear I feel my fear

And I w! onder  
How far I go  
But it kills me  
I need to know

I put to the test  
I mean a second gift  
I get it up my chest  
I wanne feel a last?

I wanne feel no fear, no fear

Let it go let it flow  
Through my mind  
through my soul  
It's all adrenaline, yeah yeah yeah yeah  
Let it go let it blow  
for my vaigns up to my brains  
I need adrenaline  
To take control

I realise she's truly gone  
Disappeared like a bullet leaves the gun

Let it go let it flow  
Through my mind  
Through my soul  
It's all adrenaline, yeah yeah yeah yeah  
Let it go let it blow  
For my vaigns up to my brains  
I need adrenaline  
To take control

Let it go  
Let it flow, I need adrenaline  
Let it go  
Let it blow, I need it  
Let it go  
Let it flow, I need adrenaline  
Let it go  
Let it blow, I feel it

Go!
