I lied to you
I see it in your eyes
Burning questions
I should have talked to you,
But i wasn't strong enough
To face you and tell you
I know it's gonna break you
I know it's gonna take you down
But i gotta tell you,
It's over
Girl now
I move out
I walk out on you
Nothing's gonna change, so now
I move out,
I run out on you
Cause life is pretty cool without you
Cool without you
Don't wanna lie to you
No i can't fool your pretty face,
So beautiful
Why should i change my mind
A thousand times
We can't go on
I don't wanna hurt you
I don't wanna break you down,
But you've gotta believe me , it's over
Girl now
I move out
I walk out on you
Nothing's gonna change, so now
I move out,
I run out on you
Cause life is pretty cool without you
Cool without you
So now
I move out
I walk out on you
Nothing's gonna change, so now
I move out
I run out on you
Cause life is pretty cool without you
