You're such a fool my friend
Wanting to be with them
How can you move by the roof
Hanging out and acting cool
The wannabees from school
You're such a geek, my friend
Longing to be like them
When every day is a day
We'll leave it to the past
You'd better make it last
Cuz you think,
They have better parties,
Better clothes and get laid
You're thinking that's how life goes
But grow up grow up now!
U gotta
Get up get up now
You're nothing but a joke
Get up get up now
Don't be a Jerk, get a life
Get up get up now
Naaaoooh
You really think she likes
The way you're bragging with the guys
Just to impress all the girls in the park
Your disguise doesn't look that smart
And I know you're not
Who you intend to be,
So get a life, it's part of it all
But don't you feel alone
You gotta gotta gotta
Get up get up now
You're nothing but a joke
Get up get up now
Don't be a Jerk, get a life
Get up get up now
We're all alike
So cut the crap
Even in your dreams you're full of shit
So take a hike, remember
Never ever try to loosen up the real thing
Get up get up now

You're nothing but a joke
Get up get up now
Don't be a Jerk, get a life
Get up get up now
You're nothing but a joke
Naaoooooh
Get up get up now
You're nothing but a joke
Get up get up now
Don't be a Jerk, get a life
Get up get up now
You're nothing but a joke
Get up get up now
Don't be a Jerk, get a life
Don't be a Jerk, get a life
Get up get up now
Don't be a Jerk, get a life
Get up get up now-ac
