Days confused  
My heart's abused  
I wake up alone  
I see coffee cups and washing up  
Reality its home

My head is spinning so fast  
Will this hangover pass  
I don't wanna be lonely  
You let a world torn apart  
but I believe that my heart  
Is meant to find someone

(Refrein:)  
Hungry for love  
And tired of frustration  
Thirsty for something else  
I'm empty inside, I need a sensation  
Of falling completely out of myself

Life amaze  
I'm lost today  
Im going no where  
How do you find your destiny  
Is there anybody out there

So now Im driving to fast  
Hear the radio blast  
All the worries from my head  
Feel like I'm losing control  
i'm spyched, i'm ready to go  
Yes i find someone

Hungry for love  
And tired of frustration

Thirsty for something else  
Im empty inside, I need a sensation  
Of falling completely out of myself

Oooh, nothing could be better  
Than taking all the missing pieces

And make this picture last forever

Yeahheayeahhh

Hungry for love  
And tired of frustration  
Thirsty for something else  
Im empty inside, I need a sensation  
Im falling completely

Oooo, Hungry for love  
And tired of frustration  
Thirsty for something else  
Im empty inside, and need the sensation  
Im falling completely out of myself

Yeahheayeahhh yeahh  
Yeahheayeahhh yeahh  
Im hungry for love now..  
Yeahheayeahhh yeahh  
Yeahheayeahhh yeahh  
Hungry for love, Im out of time..  
Yeahheayeahhh yeahh  
Yeahheayeahhh yeahh  
Yeahheayeahhh yeahh  
Yeahheayeahhh yeahh
