No answers just violence  
And somehow your words stay unheard  
Like your name is a number  
Hey mister Billion Sixty-four

Some people  
Don't get it  
They're like a one-way road  
Narrow-minded  
No-go!

I just can't stand  
So much selfishness  
So much foolishness  
Attention addicts  
Fanatic fools  
You're so cold

Hear them laughing their heads off  
Now we are choking on their crap  
Not to mention their impoliteness  
Who created social blindness

Some people  
Don't get it  
They're like a one-way road  
Narrow-minded  
No-go!  
I just can't stand  
So much selfishness  
So much foolishness  
Attention addicts  
Fanatic fools  
You're so cold

I just can't stand  
So much selfishness  
Attention addicts  
Fanatic fools today

I just can't stand  
So much selfishness

So much foolishness  
Attention addicts  
Fanatic fools  
You're so cold

I just can't stand  
So much selfishness  
Attention addicts  
Fanatic fools today
