No answers just violence And somehow your words stay unheard Like your name is a number Hey mister Billion Sixty-four

Some people Don't get it They're like a one-way road Narrow-minded No-go!

I just can't stand So much selfishness So much foolishness Attention addicts Fanatic fools You're so cold

Hear them laughing their heads odd Now we are choking on their crap Not to mention their impoliteness Who created social blindness

Some people Don't get it They're like a one-way road Narrow-minded No-go!

I just can't stand So much selfishness So much foolishness Attention addicts Fanatic fools You're so cold

I just can't stand So much selfishness Attention addicts Fanatic fools today

I just can't stand

So much selfishness So much foolishness Attention addicts Fanatic fools You're so cold

I just can't stand So much selfishness Attention addicts Fanatic fools today Today Today
