In the centre of a broken heart  
There's a riot going on  
Tried to stop before my quiet mint  
Lost control

I'm surrounded by an iron gate  
In a graveyard for my thoughts  
All the memories that I've engraved  
Com to life

Since I'm building up inside these colours die  
An endless ride waits for me

In the hollow of a wishing well  
Silver coins are falling down  
While the water keeps running dry  
I am diving in

Pay the fee come in to stand and stare  
Eyes are blind to what is there  
Pull the strings and watch the puppet dance  
Or cut him loose

Held too tight I cannot breathe  
I feel the claws digging in restricted

Stripped of thought I feel exposed  
I've been found out been brought down so jaded

The boy with the golden hair
