Sleeptight

Everytime I laugh to you in the room where we can see
each other

That's how I learnt to the keep the faith to kill each
other

it's so bad to recied to make your own choice
to get yourself and leave me here
I could say I were

Deep in my heart girl
I wish you lying next to me
Girl tha nI could tell this

Wake up!
Early in the morning
Wake up!
Dinner first at one
Wake up!
I wanna be so lonely
Wake up!
Just only you with thoughts so deep
try to watch me sleep
Yes I'm tryin'to say sleeptight

It's raining hard It's easier to ascame that
all you'll say it's right
But deep in my heart girl
I wished you'd staying longer
but I can't tell it was all night
but you made your own choice to catch yourself
and leave me here I could say I were
Deep in my heart I wish you staying next to me girl
I could tell it hours

Time is changing time is on
beat it now this is on!

Wake up!
Early in the morning

Wake up!
Dinner first at one
Wake up!
I wanna be so lonely
Wake up!
Just only you with thoughts so deep
try to watch me sleep

I'll take it slow
I'm making my thoughts be so right
I'll take it slower
