She moved ahead
Out of the circle
Couldn't take it no more

I'm cool instead
I'm cheating I'm faking
Like never before

What's going on in my mind
I go crazy

Someday
I'll be the one who holds you
But I don't wanna know if it's true
Someday
I'll be the one you look up to
But I don't wanna know if it's true
Where are you

Day in day out
I drink I shout
And I don't care

Still I believe the good in me
Will bring me back

Or is it all in my mind
I'm going crazy

Someday
I'll be the one who holds you
But I don't wanna know if it's true
Someday
I'll be the one you look up to
But I don't wanna know if it's true
Where are you

Bring me back
Bail me out
Where are you

Someday
I'll be the one who holds you
But I don't wanna know if it's true
Someday
I'll be the one you look up to
But I don't wanna know if it's true

Someday
Someday
