So heres your valentine
Bouquet of clumsy words
My energy will burst and I,
Im waiting for your call
The day you'll let me in
That's where we will begin so Im
Dreaming and longing for you
So now I, Im sure that
You will go for me, but you're stuck in the middle
Cant force you, just let me know
So I can move on, wont get stuck in the middle
You said you needed time
To make up your mind
You know my love is blind but I,
I know there is another guy
Has he everything you need?
Or will my love defeat his,
Passion and feelings for you
So know I, Im sure that
You will go for me, but you're stuck in the middle
Cant force you, just let me know
So I can move on, wont get stuck in the middle
And when I got you,
Then I will try to
Pass an endless summer with you
But now I, I hope so
You will go for me, cause Im still in the middle
I wonder, just let me know
So now I, Im sure that
You will go for me, but you're stuck in the middle
Im sure that, my time will come
And I wont fall back, back in a riddle
So now I, Im sure that
You will go for me, but you're stuck in the middle
Cant force you, just let me know
So I can move on, wont fall back in a riddle
