Just drinking beer
Getting lost inside your TV-set
And off you get
By all the crap around the net
Youre all dressed up
To joint the club
Your so-called friends
But in the end
Theres no one round
No shaking hands
Youre getting off
You, sucking parasite
Youre getting off
Its time to realize
Why cant you stay the little worm you are
How come, what makes you think youre a superstar?
Dont miss a thing
Make sure youre face is seen
But I can tell
Youre time has come, youre off the scene
Everybody knows about the worm between the sheets
Youre getting off
You, sucking parasite
Youre getting off
Its time to realize
Why cant you stay the little worm you are
How come, what makes you think youre a superstar?
Honestly, I feel sorry for you
Cause its you, yourself and you alone whos loosing
Ground
Dont you know
You, sucking parasite
Dont you see
You need the realize
Why cant you stay the little worm you are
How come, what makes you think youre a superstar?
Dont you know, youre kind has bin face it out?
Dont you know, you suck, you parasite
Dont you know, were better without
Dont you know, you suck, you parasite
Dont you know, you suck, you parasite
