Every time I watch TV
Scenes of inhumanity
She lost a boy, he lost his head
And all he did was serving someone else
While the suits and ties move on
In their million dollar homes
Well the worlds gone crazy
And it'll lose rotation
So, the worlds gone crazy
And it's waiting there for you
And what about the other guys
No remorse or compromise
Taking lifes like I have wine
He never had the change to say goodbye
And we don't know what it's like
To be sure you're gone by night
And so the worlds gone crazy
And it'll lose rotation
Ooh, the worlds damn crazy
And it will be taken
The worlds gone crazy
Wheres my father? tears have shed
Did he leave? oh girl
Would it have mattered if theyd said?
He might be here somewhere
And why the worlds gone crazy
I will never understand
How we got this crazy
Oh oh, it's a crazy world
Yeah the worlds one crazy
An I wonder where it ends
Ooh, the worlds gone crazy
And it's waiting there for you
Tic, tac, tic, tac,
Time will come, well be gone
Tic, tac, tic, tac,
Its a crazy world
Tic, tac, tic, tac,
They will come, well be gone
Tic, tac, tic, tac,
