Everybody is in a separate zone  
All together but we're so alone.  
Staring out through a wall of glass,  
Look away because it's gonna crash.

And ooh...  
My hart is open.  
Ooh, the times are changing.

Forever.  
Forever.

Put a picture in a golden frame,  
But in the end it will be the same.

Chains are broken and my eyes are wide,  
It feels so good, just to be alive.

And ooh...  
My hart is open.

Ooh, the times are changing.  
Forever.  
Forever.

I could wait until the day I die,  
For something real that I can't deny.

Gonna give myself a fighting chance,  
And find somebody who understands.

Ooh, the times are changing.

Ooh, my hart is open.  
Ooh the times are changing.

Ooh, the times are changing,  
Forever. forever. forever.
