He was born in 1980  
Between the devil and the deep blue sea  
Be a big man, don't you cry  
Said his papa whit his broke down pride  
Someday he knew he'd walk away  
He packed up on a dark and cloudy day

Do it yourself, leave me alone, you can take it  
How can I am the only one who doesn't fake it  
Walk with me I tell you where to go

CMOD

Now it is my time to run  
Over mountains upside down  
The sun is sinning bright like a lightning  
When the night falls it gets frightening  
See I don't need to be afraid  
'Cause I am free and I'm not gonna deviate

I do it myself, I'm better alone, I made it  
How can you push, it's like you just wanna behave it  
Walk with me I show tell you where to go

Through my knees as we  
Through the night I wish  
When I'm dreaming I'm flowing flying  
With the brave...  
Side by side...  
We arrive in a place, we call home  
We arrive in a place, we call home
