### "Creatures Of Deception"

Once we were able to see  
Behind that shroud of mystery  
Searching for the truth  
Searching for some signs of divinity  
Presentation of souls  
So much suffering  
The truth cannot be found  
Withoun facing reality  
Now we are lost in this maze  
Unable to communicate  
Suffering from the life which was  
Burnt at the stake f vanity  
Presentation of souls  
So much suffering  
The truth cannot be found  
Withoun facing reality  
Behold those creatures of deception  
We have become so weak  
Cynic  
So insecure  
Now we cannot even see  
What is behind this heresy
