Oh, what a crazy party
All the gang's here too
The beat is really jumping
Like a kangaroo

I'm full of cherry soda
And potato chips
But now I wanna get a taste
Of your sweet lips

[CHORUS]
So, dim, dim the lights
(Dim, dim the lights)
Dim, dim the lights
(Dim, dim the lights)
Turn down the lights
I want some atmosphere

The furniture is bouncing
Round the room with glee
And rocking like a boat
Upon a stormy sea

But dig the crazy clock
It's running wild tonight
But still I haven't had
A chance to hold you tight

[Repeat CHORUS]

Look at Annie's earrings
Bouncing off her back
Look at Suzie kissing
And a-hugging Jack

Look at Nancy dancing
In her stocking feet
We're all going crazy
With the mambo beat

But everybody's really
Having lots of fun

But, honey, as for me
The night has just begun

'Cause now I wanna tell you things
And hold you tight
But how can I do it
With the room so bright

[Repeat CHORUS]

But everybody's really
Having lots of fun
But, honey, as for me
The night has just begun

'Cause now I wanna tell you things
And hold you tight
But how can I do it
With the room so bright

[Repeat CHORUS]
