Where is the sacred swine  
Whose blood can cleanse my brainwashed mind  
Cleansed of all the good  
Which plagues the earth with lying words

Let me be bloodwashed clean  
Of holy's bright white light sheen

Give me back my natural being  
Born of darkness, things unseen  
Let me be bloodwashed clean  
Of holy's bright white light sheen  
Bloodwashed clean!  
Of holy's bright white light sheen!

Who with nature is the beast  
Who with nature is the feast  
I serve Satan, he is truth  
Served by Satan's split hoof  
Bloodwash is what the world needs  
Fuck the goodness  
Fuck the peace

Serve the goat, for he is truth  
Submit to nature calling you  
Don't be ashamed of murderous thoughts  
For murder is what we're taught

These righteous fucks who think they're saved  
Their souls be doomed to wretched graves  
Bloodwashed clean, I am evolved  
Nothing else will be allowed  
Hear these words of fuckin' mine  
Blood of swine!
