You can dance, you can jive, having the time of your  
life  
See that girl, watch that scene, dig in the Dancing  
Queen  
Friday night and the lights are low  
Looking out for the place to go  
Where they play the right music, getting in the swing  
You come in to look for a King  
Anybody could be that guy  
Night is young and the music's high  
With a bit of rock music, everything is fine  
You're in the mood for a dance  
And when you get the chance...  
You are the Dancing Queen, young and sweet, only  
seventeen  
Dancing Queen, feel the beat from the tambourine  
You can dance, you can shine, having the time of your  
life  
See that girl, watch that scene, watching the Dancing  
Queen  
You're a teaser, you turn 'em on  
Leave them burning and then you're gone  
Looking out for another, anyone will do  
You're in the mood for a dance  
And when you get the chance...  
You are the Dancing Queen, young and sweet, only  
seventeen  
Dancing Queen, feel the beat from the tambourine  
You can dance, you can shine, having the time of your  
life  
See that girl, watch that scene, watching the Dancing  
Queen  
Dig in the Dancing Queen  
Dig in the Dancing Queen  
Dig in the Dancing Queen
