Godless lifeless outcast
Alone in darkness I live
Stripped of all emotion
All I feel is nothingness
To live is a murder of thyself

Do you like to see death
Destroy the dreams of faces
Power of Satan in my hands
I am God I make demands

To die would be a blessing
Second from karma's fate
Outcome is evil hate
To end the lives of countless

[Solo: Jeff]

A sorry existence lies ahead
For those who die first
It will cleanse my thirst
Fulfill my need to kill
From a deviant demon
The conquest has been won
The time has come to count the dead
For those who don't belong

[Solo: Kell]

[Solo: Jeff]

From all the pain inflicted
Now it's time to die
Never know the reason why
Made their lives a living hell

[Solo: Kell]

They will never be the same
From my twisted killing game
As I descend deeper
Kill myself to the keeper

Satan!
