The will to survive is strong  
Look inside thy inner self  
Integrity that drives persistence  
Constant strive dwells inside  
Comfort zone, state to be alone  
Deep strength unheard of  
Harden feelings to be numbed  
Emotions gone, hard as stone

To live on the dark side of the law  
Lawless is the path of thy self  
Flying free with dark wings I soar  
The dark lord will conquer all!

No one knows the hell I live  
One day Satan will soon give  
All the pleasures of this world  
Matter of time, have my rewards  
Staying true to the beliefs of  
The motivation to stay alive  
Death would be solution to some  
Desecrate the criminal fools!

To live on the dark side of the law  
Lawless is the path of thy self  
Flying free with dark wings I soar  
The dark lord will conquer all!

[Solo: Kell]

Crutch for God need not have  
I am God in my broken land  
Believe in myself to crush all  
Stand as one, I will not befall

[Solo: Kell]

Sheer fear of unruly law  
Respect to the powers of us all  
Without force war can rise  
Violent streets can kill

Ganglands are taken over  
Don't feel pity, out to kill  
No remorse for the death  
Kill all in the way

Terrorize, intimidate the weak  
Uprise will survivors seek  
Dark years, the sun is shadowed  
Despair, misery of all  
Decimate is the calling of sin  
Committed to Demonic Evil  
Evil... Evil... EVIL!

[Solo: Jeff]
