I came from nothing  
into existence, to live  
from your shame

And right by your side  
is where I'll stand  
Your journey begins  
and ends with me

I am the way, the truth  
and the life and my  
salvation is for sale

So if you're looking for a shelter  
just stick around,  
I'll seal your fate

In this land of temptation..  
well, I know how sorrow creeps  
So pray with me,  
children of the night  
I'm always on your side  
Until the end of time

Follow me into the  
light of the end  
Oh, I say... Follow me  
A heart that bleeds will never die  
Amen!
