Pure As The Unborn Son, Pure As The Maid Should Be  
Ceased To Breathe Again  
Never Look Away From Those With Nothing To Spare  
But I Do And I Don't Want To Care Anymore  
If I Close My Eyes Would It Spare Me The Sight?  
Of Decay, Corruption, How We Nurture Destruction  
And Everything That Will Doom Us All.  
Chaos May Be Thy Name, You Left Us For Anything  
Trust Never Been So Misplaced As In Your Arms That  
Day  
Those That You Gave Away To Those Who Could Ease  
Your Mind  
We Were Nothing But A Waste Of Your Time And Space  
But I Do And I Don't Want To Care Anymore  
If I Close My Eyes Would It Spare Me The Sight?  
Of Decay, Corruption, How We Nurture Destruction  
And Everything That Will Doom Us All.
