SATISFYING FEELING IN THE WORLD  
NEVER FORGIVE NEVER FORGET OBEY THE MASTER OF  
THIS SHADOW WORLD)

Revolution of lies and greed is here ready to ki your a

Guided by the man who can twist the truth the truth as

He is the preacher of commercial suffering where  
there's a way  
There's a will  
You will testify this new king of fools of fools like you  
This is the king that you can not mi he doesn't scream
