"Through Difficulties to Defeat"

Screaming I'm falling deeper into depression
Four walls around me. Oh, what have I done?

Even asleep I cannot know if I'm awake
This is what it feels like to lose control

Deny me another nail to pierce my skin with blame
I feel shame for the sin I know I can't make up

No more reasons to live and breathe
This is what it takes to reach the end

I know my life is getting harder day by day
Now I don't know what to do or what to say

I have been counting down on my days but I see no
release
I cannot save me from myself as you will see

Through Difficulties to Defeat
..That's the way the wind blows down here

Through difficulties to Defeat
..Tears are just a waste of good suffering
