Evil eyes she looks so unreal  
With leather and spikes  
She makes us feel  
Like a beast to be unleashed  
To be so hot she must be a dream  
Killer bodies where are they from  
Dripping with sweat ready to cum  
Glowing lights they catch the moment  
Porno visions envelope the night

We want more  
That gorgeous whore  
Pussy galore  
Taking it all  
Savage sex  
Until the next

Cock she'll get  
Paid for it  
She swallows it  
Next one to  
Drown her in  
Facial sin  
She wants more  
That's for sure  
Wicked scenes  
Just a slut  
Into smut  
Crave her butt  
Party girls  
With no shame  
Hot pink lips

Temple of lust  
Lives in our lives  
Fire in her eyes  
Dripping as she shines

Adoration of the bodies  
Obsessed with performance  
Longing for the goddess of porn  
Nymphomaniac lust for sex  
In the hot night fancy  
She said please  
Fuck me please!
