Nightmarish chaos,  
Spine-snapping chills  
Unearthly spirits,  
The dead are haunting!!!

Peaceful suburban home  
first of its kind  
Family of chosen ones  
Unaware of what's to come  
Began with a strange occurrence  
Witness a disturbance  
Excursion into the supernatural  
The living better beware

Unknown phenonmem  
Disembodied souls  
unearthly spirits invade,  
To terrify the living

Plagued by a presence,  
Paranormal episode  
Psycontronic happenings,  
intrusion of ghosts!!!

Peaceful suburban home  
last of its kind  
Family of chosen ones  
Too late for the fate to judge  
Forces too powerful to stop  
Ghosts contempt their souls  
Failed the premonition  
Dying world of infliction!!!

Dwelling Spirits!!!
