Godless lifeless outcast  
Alone in darkness I live  
Stripped of all emotion  
All I feel is nothingness  
To live is a murder of thyself

Do you like to see death  
Destroy the dreams of faces  
Power of Satan in my hands  
I am God I make demands

To die would be a blessing  
Second from karma's fate  
Outcome is evil hate  
To end the lives of countless

[Solo: Jeff]

A sorry existence lies ahead  
For those who die first  
It will cleanse my thirst  
Fulfill my need to kill  
From a deviant demon  
The conquest has been won  
The time has come to count the dead  
For those who don't belong

[Solo: Kell]

[Solo: Jeff]

From all the pain inflicted  
Now it's time to die  
Never know the reason why  
Made their lives a living hell

[Solo: Kell]

They will never be the same  
From my twisted killing game  
As I descend deeper  
Kill myself to the keeper  
Satan!
