Devastate  
Evolution of our planet  
When the age of man will be erased  
From negligence of distant past  
Extinction Level Event!!

Eradicate  
Cast away the mass appeal  
As burning rock falls from the sky  
Scales of time weigh our fate  
Prayers to heaven cannot save!!

Dust and ash  
Deadly rain  
Land swallowed by tidal waves  
Lifeless bodies  
Drift out to sea  
No atmosphere left to breath

Extinction Level Event!!

Technology  
Warnings of the coming days  
Shelters built in mountains deep  
Voyage from unknown regions  
Ruthless violence nature brings!!

Disaster  
Panic stricken world  
Destruction!

Massive graves  
Eternal darkness reigns  
Annihilation!!!

Omission  
Of fallen mortals cease  
Perpetual demise!

Barren plains  
Universal cycle complete  
Elimination of all humanity!!!
