Falter  
Removal of a possessed soul  
The body denies injections of your filth  
Time surpass  
Universal life force  
Inevitable judgement has been revoked  
Deceptive covering  
Altered visions of the pure  
Holy disgrace  
Offended by the church of God  
Trickery  
Fool the weak minds of the flock!!

Immoral unworthy of the cross you bear!!!  
Sinless water useless to iniquity  
Vain attempt to read the final word!!

Failed extraction  
Sercomes the angelic decline  
Evil is the devourment  
Transparent to the hidden eye  
Strenghtless to the deed  
Betraval that is feeble  
Witness to the bible burning  
Master of a dismal faded essence  
Witness to your crucifix melting  
Servant of God will be the one exorcised!!
