

Diabolic "Soul Projection"

Visit "[Soul Projection](#)" on MotoLyrics.com

Leaving the body
Dreaming on an astral plane
Travelling on imagery
Visual potential aware
Psychic concentration
Levitating above the self
Out of body experience
or the finality of death!!

Altered states of consciousness
Dimension of time
Discarnate entities
A lasting distortion seen
Revelations of the future
Scenes of an ecstasy
Limit a false awakening
Hallucination flights

Struggle for existence
The life after death!!

Soul projection
Unreality
Life transforming power
Unreal to compare!!

Leaving the dimension
Travelling beyond and back
Dynamic potential aware
Aware!!

Altered states of consciousness
Dimension of time
Discarnate entities
A lasting distortion seen
Revelations of the future
Scenes of an ecstasy
Limit a false awakening
Hallucination flights

Struggle for existence
The death after life!
